

MOTION BY SUPERVISOR DON KNABE

October 8, 2013

The Palos Verdes Peninsula High School envisions its graduates as passionate and successful learners who recognize there are multiple paths to success in a rapidly changing global environment. The depth and breadth of the curricular and co-curricular programs are designed to produce students who achieve their highest academic, career, and personal potentials, while developing healthy self-images in a safe and tolerant environment.

As part of its offerings, the Palos Verdes Peninsula High School offers a surfing class for students three days a week at the County's Torrance Beach from September 2013 into June 2014.

I THEREFORE, MOVE that the Board of Supervisors waive the daily parking fee at the Torrance Beach parking lot for the surfing instructor during the 2013-14 academic year, in the estimated amount of \$235, excluding the cost of liability insurance.
